# Historic background

*The Dead Sea Scrolls was found by a shepherd in the desert mountain of Sinai. Before they were given to the Vatican they were copied and smuggled by the priests to the West, where Dr. Bordeaux translated them. You probably find the Truth so clear nowhere else.*

Long time ago, humans started to kill animals, eating meat, which gives a toxic, acid body, sickness and greediness, total lack of inner peace, resulted even in killing each other!

Then Jesus was born and became the Master of his people, the Essene. They wrote his teachings and wisdom in the Dead Sea Scrolls, lately found, of which you find a summary in this booklet.

The past years, people even plunder and pollute Mother Nature - our very existence is in danger!

Dr. Bordeaux wrote in the Essene Gospel of Peace:

***“Mankind needs the wisdom from Jesus today more urgently than ever before. And the truth shall be the witness of itself”.***

# Jesus and his people Essenes

The Essenes lived on the shores of lakes and rivers, away from cities and towns, and practiced a communal way of life, sharing equally in everything. They were mainly agriculturists and arboriculturists, having a vast knowledge of crops, soil and climactic conditions which enabled them to grow a remarkable variety of fruits and vegetables.

There were no rich or poor amongst them, **both conditions being considered by them as deviations from the Law.** They established their own economic system, based wholly on the Law, and showed that all man's food and material needs can be attained without struggle, through knowledge of the Law of nature.

***In their profound respect for all living things they never touched flesh foods, nor did they drink fermented liquids.***

Their way of life enabled them to live to advanced ages of 120 years or more and they were said to have marvelous strength and endurance. In all their activities they expressed creative love.

They sent out healers and teachers from the brotherhoods, amongst whom were Elijah, John the Baptist and the great Essene Master, **JESUS!**

# Jesus about Rulers

**Nor do we have ought to do with the edicts of rulers; neither do we uphold them, as our law is the Law of the Heavenly Father and the Earthly Mother; neither do we oppose them, for no one rules, except by the will of God.**

Rather do we strive to live according to the Holy Law and strengthen always that which is good in all things; then will the kingdom of darkness be changed to the kingdom of light; for where there is light, how then can darkness remain?

And when once we see with the eyes of wisdom and hear with the ears of understanding the ageless truths of the Holy Scrolls, then must we go among the Sons of Men and **teach them**, for if we jealously hide the holy knowledge, pretending that it belongs only to us, then we are as one who finds a spring high in the mountains, which could give water to many in the valley. But he ruins the spring, also for himself!”

“Always have the Brothers of Light lived where rejoice the Angels of the Earthly Mother: near rivers, near trees, near flowers, near the music of birds, where sun and rain may embrace the body, which is the temple of the spirit”.

# Jesus about Love and Work

“For many and grievous are the sufferings of the Sons of Men when they cleave not to the Angel of Love. Truly, a man without love casts a dark shadow on everyone he meets, most of all those with whom he lives; his harsh and angry words fall on his brothers like fetid air rising from a stagnant pool. And he suffers most who speaks them, for the darkness that encloses him invites Satan and his devils.”

“But when he calls on the Angel of Love, then is the darkness dispersed, and the light of sunshine streams from him, and the colors of the rainbow swirl about his head, and gentle rain falls from his fingers, and he brings peace and strength to all those who draw near to him.”

“For the strongest of the Angels of the Heavenly Father, the Angel of Work, blesses each man who works in the way best for him, for then shall he know neither want nor excess. Truly is there abundance for all men in the kingdoms of the Earthly Mother when each man works at his task; for **we are given all things** in the kingdoms of heaven and earth **at the price of labor.**”

# Jesus predicted our downfall

“But there will come a day when the Son of Man will turn his face from his Earthly Mother and betray her, even denying his Mother and his birth-right. Then shall he sell her into slavery, and her flesh shall be ravaged, her blood polluted, and her breath smothered; he will bring the fire of death into all the parts of her kingdom, and his hunger will devour all her gifts and leave in their place only a desert.”

“All these things will he do out of ignorance of the Law, and as a man dying slowly cannot smell his own stench, so will the Son of Man be blind to the truth: that as he plunders and ravages and destroys his Earthly Mother, so does he plunder and ravage and destroy himself. For he was born of his Earthly Mother, and he is one with her, and all that he does to his Mother even so does he to himself.”

“I tell you truly, the Book of Nature is a Holy Scroll, and if you would have the Sons of Men save themselves and find everlasting life, teach them how once again to read from the living pages of the Earthly Mother. For in everything that is life is the Law written. It is written in the grass, in the trees, in rivers, mountains, birds of the sky and fishes in the sea; and most of all within the Son of Man. Only when he returns to the bosom of his Earthly Mother will he find everlasting life and the Stream of Life which leads to his Heavenly Father, only then may the dark vision of the future never happen.

# THE TRUTH ABOUT JESUS SAID, HOW TO REGAIN HEALTH

- After the fast, sin no more.

# THE TRUTH ABOUT JESUS SAID WHAT TO AVOID

- Kill not your foods with the fire of death.

- Don't kill to eat, their death will become your death.
- Eat all the plants from Natures Royal table.
- Kill not your foods with fire of death.
- Cooked food will kill your body and your soul.
- So eat food from the table of God, fruits, grain and grass.
- Have only two meals a day, at noon and sunset, but pick food in nature any time.
- Eat in peace, and slowly, chew well and mix only three foods.
- Eat local foods, not from faraway countries.
